Qualität Quality

Unsere geruchsneutralen Drucke eignen sich für sensible Umgebungen. Die Kombination der von uns verwendeten wasserbasierten Latextinten und bewährten Vliestapeten schafft brillante Wanddekore mit herausragender Bildqualität und einem attraktiven, umweltfreundlichen Profil. Darüber hinaus sind die Digitaldrucke von Designwalls schwer entflammbar, gut lichtbeständig, waschbeständig sowie später restlos trocken abziehbar. Sie erfüllen zusätzlich alle aktuellen Objktanforderungen.

Our odourless prints are suitable for sensitive environments. The combination of the water-based latex inks which we use with proven non-woven wallpapers creates brilliant designs with outstanding image quality and an attractive, environmentally friendly profile. In addition, the digital prints by Designwalls are flameretardant, light fast, washable, and completely dry-strippable. They meet all current architectural requirements.

Material ›Glattvlies Profi‹ Material ›Glattvlies Profi‹

Der hochwertige Vliesträger des ›Glattvlies Profi‹ wurde zusätzlich mit einer besonderen Rezeptur überzogen, welche den Druckfarben ihre besondere Brillanz verleiht. Klare Konturen und ein gestochen scharfes Druckbild machen dieses Druckmedium zu einem echten Premiumvlies, von dem besonders farbintensive Motive profitieren.

The high-quality non-woven backing of the ›non-woven professional‹ was additionally coated with a special formulation, which gives the printing inks their special brilliance. Clear contours and a razor-sharp print make this print medium a real premium fleece, from which particularly colorful motifs benefit.
